

O&O Business Suite

System and data management for the entire company at a fixed monthly price

O&O Business Suite redefines the purchase of software for corporate customers: you get our comprehensive product portfolio for just a low monthly fee – fixed, with no hidden costs – and starting at just \$29.00! Also included in the price are updates to new versions. Our motto: A fast and secure network at an unbeatable price.

Our complete solution for your system and data management (SDM), raises the performance of your computer, secures and recovers your data and simplifies your tasks as an administrator. And all this without additional hardware costs, ready-to-go with your existing systems!

Discover and perfect the potential of your IT infrastructure. Maintain all your systems from desktop to laptops and netbooks to servers. Protect your business data against a variety of potential risks such as loss or theft. Manage all data and systems easily and automatically, scalable throughout their entire lifecycle. Experience Information Technology in a new dimension!

All products in one pack

Backup. Recover. Optimize. Protect.

Your Service

Our excellent service makes everything convenient and easy for you! We have contact persons for you and all your concerns - you will always have direct access to our know-how. For an additional monthly fee of only \$10.00 net you will have access to our Premium Support, granting you priority access to our technicians.

Your package

In addition to your Welcome Kit, which includes your license document, you will receive the full version licenses of each product you ordered according to your booked package. The licenses are valid for one year and will be updated upon renewal of the contract.

You will get complete program packages with all the products to either install the applications on one central location or choose to do so individually on each computer. Updates can just as easily be installed on your systems, which reduce the maintenance effort to an absolute minimum.

Start saving immediately!

We gladly offer our support while you're getting started with O&O Business Suite!
